GovMilSpace DIGITAL SERIES

JULY 27-28, 2026

VIRTUAL PROGRAM

WHERE GOVERNMENT, MILITARY & INDUSTRY ALIGN ON SPACE IN 2026

The **GovMilSpace Digital Series** brings decision-makers together for candid, unscripted conversations on where space and defense are headed. Designed for genuine access to senior public-sector stakeholders, it's your chance to place your brand alongside the discussions that drive strategic priorities, investment decisions, and cross-border partnerships.

DIGITAL SPONSOR - $9,500

(UP TO 5 AVAILABLE)

- Choice of One (1):
  - >> 20-minute interview / fireside chat to be played on Day 1 or 2
  - >> Video played at the start of Day 1 or 2
- One (1) document available for download
- Post-show email to all registrants
- Inclusion in all applicable marketing materials
- One (1) ad included in S3 Newsletter recap
- Mention in opening and closing emcee remarks
- Free registration for all staff

WHY SPONSOR?

Decision-makers from the DoD, Space Force, NASA, NOAA, ESA, DLR, and more gather here, joined by primes, integrators, cyber innovators, policy minds, and operators.

Sponsorship puts your brand at the center of the people charting the course for global space and national security.

Your sponsorship supports:

- Public-private exchange on geopolitics, budgets, cross-border rules, and future defense planning.
- A hand-picked senior audience that standard conferences and trade shows can't assemble.
- Engagement that works around a demanding schedule, with no travel, no leave, and no time away from the mission.

PROGRAM SNAPSHOT

Last year's series brought interviews with the UK Space Agency, Space Systems Command, Germany's BSI, the Romanian Space Agency, plus panels on multi-orbit satellite requirements for resilient battlefield operations and the EU Space Act. **2026 builds on that foundation**.
