WHY SPONSOR?

The digital series draws senior leaders from the DOD, Space Force, NASA, NOAA, ESA, DLR, and more – plus primes, integrators, cyber innovators, policy experts, and operators.

Sponsorship puts your brand in front of those shaping the future of global space and national security efforts.

Your sponsorship supports:

- Direct, transparent public-private dialogue on geopolitical shifts, budget uncertainty, international regulation, and next-gen defense planning.
- Expanded visibility in front of a curated, high-level audience you won't find at conferences/trade shows.
- A format purpose-built to keep government and military attendees engaged, even during travel and training freezes.

PROGRAM SNAPSHOT

The GovMilSpace Digital Series will feature interviews with the UK Space Agency, German BSI, Romanian Space Agency, and top U.S. agencies, alongside panel sessions on multi-orbit satellite requirements for resilient battlefield operations and the implications of the EU Space Act.
