

Proxy Reservation

Please complete this Proxy Reservation Form if your company would like to reserve exhibit space for SATELLITE 2027 or the GovMilSpace Pavilion and an authorized representative of your company **cannot be present** during your allotted time to select space. When your company is called, Show Management will select your booth space based upon this proxy reservation. If none of your choices are available, Show Management will select the best available space on your behalf for your company. For best results, please list several booth choices, scattering your selections around the exhibit floor.

Please submit this completed Proxy Reservation Form, which represents a firm commitment and binding agreement for booth space on behalf of the named exhibitor for the assigned space, along with a completed/signed exhibit space contract to [Michael Cassinelli](#) or [Paula November](#) no later than Monday, March 23. **You may withdraw this Proxy Reservation at any time up to the time that space is selected for you.**
